*Celebrating*  
— 25 YEARS —

## The American Place

For a quarter century, The American Place has helped thousands of immigrants and refugees begin their journey on a legal path to citizenship. As a vital resource, it connects newcomers with city services, education, and workforce opportunities to support resettlement and long-term success.

## Caroline M. Hewins Medal

This year the honor will be presented to the Hartford Foundation for Public Giving for its transformative grantmaking and deep commitment to equity and public service. The award recognizes those who provide revolutionary service to Hartford and champion equal access to opportunity—values that HFPG exemplifies.
